 - D. Salary advances shall be made at the usual contract time; a teacher who qualifies for an advancement during the year shall receive a revised contract upon presentation of an

official transcript, provided such intention was conveyed to the Superintendent of Schools, in writing by September 30 of the preceding school year.

E. Prior to obtaining a Master's Degree, a maximum of eighteen (18) credits may be granted to a teacher for in-service programs and workshop credits not taken under the sponsorship of a college or university, provided that the teacher has obtained prior approval from the Superintendent of Schools. B. In any year a teacher whose work is deemed unsatisfactory may, upon the recommendation of the Superintendent of Schools, have his/her increment withheld and thereby lose a step on the guide. Before

making such recommendation to the Board, the Superintendent of Schools shall send the teacher written notice of such intention and give him/her an opportunity to discuss the reason for such action with the Superintendent.

C. Additional increments may be granted within the guide upon the recommendation of the Superintendent of Schools, if the best interest of the school system warrants such action.

Before making such recommendation to the Board, the Superintendent of Schools shall send the teacher written notice of such intention and give him/her an opportunity to discuss the reason for such action with the Superintendent. Future increases after withholding an adjustment will depend entirely upon the recommendation of the Superintendent and the approval of the Board of Education.
